

Lesson 4: Backup Math Worksheet

You have several files that need to be backed up to either a floppy disk or a writable CD. The sizes of the files are listed below in MB. Draw a line from each file to the storage disk on which it best fits. Put as many files as possible on the floppy, so that you don't use all of your CD space.

Floppy disk
holds up to 1.44MB

1. 24MB
2. 1.37MB
3. .78MB
4. 3.77MB
5. 1.55MB
6. 2.35MB
7. 6MB
8. 1MB
9. .98MB
10. 1.24MB
11. 5MB
12. 2.66MB
13. 1.01MB
14. 10.4MB
15. 14.4MB

CD
holds up to 650MB
